**9038 SE FOSTER ROAD**  
**PORTLAND, OREGON 97266**  
**Telephone (503) 774-7497**

### **EASY DIRECTIONS TO OUR SHOP:**

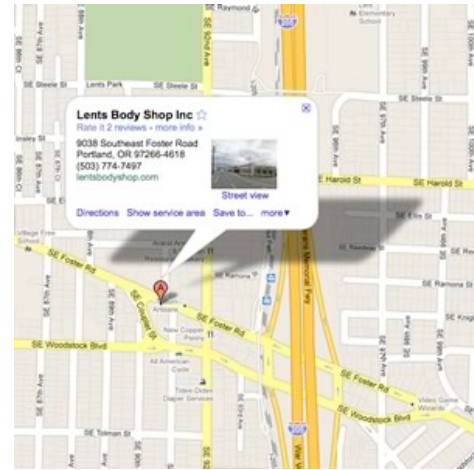

#### **DIRECTIONS FROM I-205 - TRAVELING NORTHBOUND:**

(1) Take the Foster Road exit (Exit #17) to the bottom of the hill. Continue straight on through the first light (which is Foster Road eastbound), and turn left at the second light going westbound on Foster Road back under the Freeway Overpass. This is Foster Road one-way westbound.

(2) Continue traveling westbound on Foster Road approximately 4 blocks getting into the far left hand lane.

(3) At SE 90<sup>th</sup> and Foster Road, the left hand lane you are in curves slightly to the left to a stop sign. Our driveway is on your immediate left just past the stop sign.

NOTE: At SE 90<sup>th</sup> and Foster Road, you must be in the far left lane to turn left, the two right hand lanes continue forward where they meet oncoming eastbound traffic. If you are in the two right hand lanes, you will have to turn around and come back.

#### **DIRECTIONS FROM I-205 - TRAVELING SOUTHBOUND:**

(1) Take the Foster Road exit (Exit #17) to the bottom of the hill. Turn right (westbound) onto Foster Road and get into the far left hand lane.

(2) Continue traveling westbound on Foster Road approximately 3 blocks getting into the far left lane.

(3) At SE 90<sup>th</sup> and Foster Road, the left hand lane you are in curves slightly to the left to a stop sign. Our driveway is on your immediate left just past the stop sign.

NOTE: At SE 90<sup>th</sup> and Foster Road, you must be in the far left lane to turn left, the two right hand lanes continue forward where they meet oncoming eastbound traffic. If you are in the two right hand lanes, you will have to turn around and come back.

#### **DIRECTIONS FROM S.E. 82<sup>nd</sup> AVENUE AND FOSTER ROAD:**

(1) Travel eastbound on Foster Road towards the I-205 Freeway, and get in your inside left hand lane.

(2) Slow Down as you approach SE 90<sup>th</sup> and Foster Road, as the road will split one-way curving to the right as you enter a “Y” interchange.

(3) Our front driveway and shop is located directly in front of you at the center “Y” of this interchange. You will want to turn left into our driveway, which is located directly in front of you on your left as you enter the center of the “Y” split.

NOTE: If you miss our driveway, you will have to take the first left on SE 91<sup>st</sup> Avenue and circle our block – we are located in the center block of the “Y” split.

## **DIRECTIONS FROM SE 122<sup>ND</sup> AVENUE AND FOSTER ROAD:**

(1) Travel westbound on Foster Road until you travel under the I-205 and Max Light Rail overpasses. Continue traveling westward one-way on Foster Road, getting in the far left hand lane.

(2) At SE 90<sup>th</sup> and Foster Road, the left hand lane you are in curves slightly to the left to a stop sign. Our driveway is on your immediate left just past the stop sign.

NOTE: At SE 90<sup>th</sup> and Foster Road, you must be in the far left lane to turn left, the two right hand lanes continue forward where they meet oncoming eastbound traffic. If you are in the two right hand lanes, you will have to turn around and come back.

## **TRI-MET – MAX GREEN LINE - LIGHT RAIL DIRECTIONS**

### **MAX Green Line**

Traveling on Tri-Met MAX Green Line to our shop is convenient and easy.

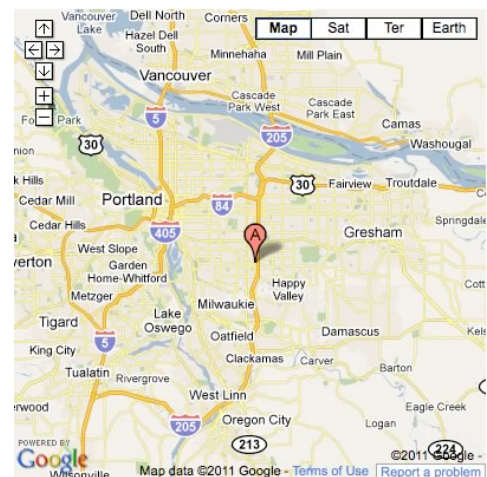

Lents Body Shop Inc. is located at 9038 S.E. Foster Road -- just 4 blocks west of the “Lents Town Center / SE Foster Road” light rail station.

The station is at the intersection of Interstate 205 and Foster Road. It is located in the Lents Neighborhood's Town Center business district in Portland, Oregon.

It is the 5th stop southbound on the I-205 MAX branch.

Tri-Met's MAX Green Line light rail service connects Clackamas, E/SE Portland, downtown Portland and Portland State University. Trains run about every 15 minutes most of the day, every day. Service is less frequent in the early morning, mid-day and evening.

Call 503-238-RIDE (7433) or visit [trimet.org](http://trimet.org) for up-to-the-minute TransitTracker™ arrival times for your stop or station. Plus, we'll tell you if any detours or delays are in effect.
